## **Attention Child Care Providers:**

Child Care Development Services has a **Direct Deposit** feature for your food program reimbursement. This means your money will be electronically deposited into your account.

A checking or savings account in most banks and credit unions will be able to utilize this feature.

### **Think of the advantages:**

- ☺ No more checks stolen or lost in the mail.
- ☺ No more waiting for stop payment and a replacement check to be issued.
- ☺ No more trying to find the time to run to the bank to deposit your check.
- ☺ Quicker access to your funds.

You will receive a printed deposit voucher for each payment deposited into your account, with the same detail you receive on your check stub. The difference is that with **Direct Deposit**, your bank will already have the money and you will have immediate access to that money.

## **Excited? Interested?**

**Direct Deposit** is currently being used by many of our providers.

Please complete the back of this form and mail it back to the accounting office to get started.
